Executive Summary

Notices:

- **In Fiscal Year (FY) 2013 ACF implemented a new application upload requirement. Each applicant applying electronically via <http://www.grants.gov> is required to upload only two electronic files, excluding Standard Forms and OMB-approved forms. No more than two files will be accepted for the review and additional files will be removed. Standard Forms and OMB-approved forms will not be considered additional files. Please see *Section IV.2. Content and Form of Application Submission* for detailed information on this requirement.**
- **Applicants are strongly encouraged to read the entire funding opportunity announcement (FOA) carefully and observe the application formatting requirements listed in *Section IV.2. Content and Form of Application Submission*. For more information on applying for grants, please visit "How to Apply for a Grant" on the ACF Grants Page at <http://www.acf.hhs.gov/grants/how-to-apply-for-grants>.**

This announcement has been modified. In the *Overview* and in *Section IV.3. Submission Dates and Times*, the Due Date for Applications field reflects an extension of 2 days to accommodate a scheduled maintenance outage on www.Grants.gov. **Note: While no other changes apply to the application package, applicants must download the SF-424 (only) in Application Package. The SF-424 includes the revised application due date.**

The Office of Refugee Resettlement (ORR) within the Administration for Children and Families (ACF) invites eligible entities to submit competitive grant applications for funding under the Home-Based Child Care Microenterprise Development Project (HBCCMED). Through HBCCMED, ORR will provide funding for applicants proposing to implement home-based child care training and mentoring programs for refugees. Although the focus will be on refugee women, all services provided to refugee women under HBCCMED are available to refugee men who are able to benefit from these services.

The two main objectives of HBCCMED are: to help refugees (primarily unemployed women) to achieve economic self-sufficiency by becoming licensed HBCC providers; and to ease the shortage of licensed culturally and linguistically competent HBCC providers who will promote the early care and development of refugee children, helping them to thrive in the U.S. The secondary objective of HBCCMED is to enable other refugees to enter the workforce with confidence that their children are cared for by proficient, licensed HBCC providers in their neighborhoods and communities, who possess an understanding of the

children's cultural background and the ability to communicate in the children's native languages.

Refugees trained under HBCCMED will: learn about state and federal child care laws, regulations and licensing requirements, and U.S. child care norms; acquire English language skills; advance their education (e.g., attainment of General Education Diploma (G.E.D.)); learn basic financial skills; receive one-time financial assistance to cover partial start-up costs related to home-based child care entrepreneurship; apply their new child care knowledge and skills in the job market; and improve their economic opportunities. As continuity of care is essential for refugee children and their families to gain the knowledge and establish the trusting relationships needed to thrive in the U.S., ORR hopes that with their enhanced understanding of early childhood programs, refugee women will apply their acquired knowledge to facilitate the integration of their children while operating HBCC facilities and attaining economic self-sufficiency. Therefore, through HBCCMED, refugee families and children will benefit from placement in high quality, stable home-based child care services provided by HBCCMED alumni.

I. Program Description

Statutory Authority

Section 412(c)(1)(A) of the Immigration and Nationality Act (INA), U.S.C. § 1522(c)(1)(A) authorizes the ORR Director "to make grants to, and enter into contracts with, public or private non-profit agencies for projects specifically designed --- (i) to assist refugees in obtaining the skills which are necessary for economic self-sufficiency, including projects for job training, employment services, day care, professional refresher training, and other recertification services; (ii) to provide training in English where necessary (regardless of whether the refugees are employed or receiving cash or other assistance), and (iii) to provide where specific needs have been shown and recognized by the Director, health (including mental health) services, social services, educational and other services."

Description

BACKGROUND OF HOME-BASED CHILD CARE MICROENTERPRISE DEVELOPMENT PROJECT (HBCCMED)

Since 1991, ORR has awarded discretionary grants to various public agencies, community economic development agencies, community action and other human service agencies, local mutual assistance associations, faith-based organizations, and voluntary agencies seeking to provide eligible refugees with training in Micro Enterprise Development (MED). Refugees bring many positive attributes to diverse MED projects, inspired by robust business ideas and a strong desire to succeed in their new homeland.

Under the MED umbrella, many refugee women successfully launched home-based child care businesses, often caring for refugee children in their neighborhoods. Their aptitude for this market niche prompted ORR to create a designated Home-Based Child Care Microenterprise Development Project (HBCCMED) in FY 2011.

ORR has received employment data over the last 20 years that show large numbers of refugee women with young children at home remain mostly unemployed. These women, identified as a particularly vulnerable segment of the refugee population, have been unlikely to find employment or gain access to capital or training through other mainstream programs without the assistance of refugee-serving agencies. Many of them are already providing day care services to their community members while also caring for their own children. Despite having shown themselves to be adaptable, industrious and entrepreneurial in countries of asylum, these women have not readily been absorbed into the U.S. mainstream economy upon resettlement. Language and cultural barriers, minimal education, and limited transferable skills for the U.S. job market have traditionally kept them out of the workforce, especially those women who cannot find child care service providers with an understanding of their children's backgrounds and integration challenges.

HBCCMED PROJECT PURPOSE AND SCOPE

Under HBCCMED, ORR seeks to award 2-year grants to agencies that will help traditionally unemployed refugee women reach economic self-sufficiency by becoming licensed HBCC providers. The HBCCMED Project aims to generate employment and income for this segment of economically and socially vulnerable refugee women. At the same time, it aims to ease the market shortage of licensed HBCC providers with cultural and linguistic competency in serving refugee children and promoting their early care and development.

HBCCMED grantees will implement programs to:

- conduct outreach to refugees with employment and child care needs;
- serve as mentors for refugee women who will enroll in a training and licensing program in HBCC service provision;
- help their enrollees establish agreements or contracts with state or county child care offices to qualify for state/county childcare reimbursement as childcare service providers; and
- facilitate coordination and alignment of early childhood and refugee programs.

HBCCMED GOALS

Specifically, the four main goals of the ORR HBCCMED Project are to:

1. Assist refugees (primarily unemployed women) in becoming economically self-sufficient;
2. Help refugee communities develop employment and capital resources;
3. Increase refugee families' access to licensed HBCC providers who will meet the early care and developmental needs of refugee children; and
4. Enhance the integration of refugees into the mainstream.

HBCCMED PROJECT ACTIVITIES

ORR funds may be used to fund the following child care licensing-related activities and training/technical assistance:

- conducting outreach to refugee communities targeted for service;
- providing group trainings in classroom settings on related subjects such as English language, CPR and First Aid, nutrition standards, behavior management, child-proofing of child care settings, health and physical safety of children (e.g., preventing and controlling infectious diseases, providing meals and snacks according to established nutrition standards, and developing an appropriate child care curriculum);
- providing individual consultations with refugee HBCCMED enrollees;
- training enrollees in basic financial literacy;
- assisting enrollees in preparing business plans;
- assisting enrollees in acquiring business licenses and securing permission from landlords to conduct business on their premises;
- assisting enrollees in meeting federal, state, and local county government licensing requirements for operating a family child care business (e.g. child abuse prevention and criminal record checks);
- assisting enrollees in accessing public and private funds;
- covering partial start-up costs for enrollees starting their own child care businesses;
- providing technical assistance in business skills, including record keeping, business marketing, cash flow preparation and projections, and business income tax preparation; and
- providing follow-up training to ensure the establishment of viable, sustainable businesses by enrollees who succeed in acquiring all requisite licenses.

HBCCMED PROJECT REQUIREMENTS

Adherence to Office of Child Care Standards as HBCCMED Guiding Principles

Recognizing the critical role of stable child care in the positive developmental growth of all children,

including refugee children, ORR and the Office of Child Care (OCC) recently announced a joint Information Memorandum, designed to create linkages between OCC's Child Care and Development Fund (CCDF) Lead Agencies and ORR's national resettlement network. Child Care and Development Fund administrators can prioritize child care subsidy eligibility for refugee families in high-quality early childhood settings, so that children receive the support they need to succeed in school while their parents work and become economically self-sufficient. In partnership, these two programs and networks can achieve the common goal of fostering resilient, safe, healthy, and economically secure lives for all, including refugee families and their children. Grantees of the ORR-funded HBCCMED Project must therefore adhere to standards laid out by the Office of Child Care in ensuring quality of child care training and services for and by refugees. For more information, please refer to the following link: <http://www.acf.hhs.gov/programs/ecd/programs/child-care>

Use of SMART Objectives

ORR requires all projects to be guided by SMART objectives in that they are:

- Specific
- Measurable
- Appropriate
- Realistic
- Time-bound

Participation in ACF/ORR-Sponsored Training and Workshops

As a condition of acceptance of an award under this funding opportunity announcement (FOA), ORR requires grantees to participate fully in all ORR-sponsored training and/or workshops and to adhere to all training and/or workshop protocols established by ORR.

Eligible Recipients of HBCCMED Services

All low-income refugees who are not U.S. citizens are eligible for services under this project. ORR will prioritize provision of services to refugees who arrived in the U.S. within the last 5 years at the time of enrollment. **All refugees receiving mentoring and child care training under HBCCMED will be referred to as "enrollees"** throughout this FOA to distinguish them from their clients availing themselves of HBCC services for their children.

Specifically, individuals eligible for services under this project include: (1) refugees; (2) asylees; (3) Cuban and Haitian entrants; (4) certain Amerasians, (5) certified victims of human trafficking; and (6) Afghans and Iraqis with special immigrant visas. Detailed information on eligibility of ORR-funded projects is available at 45 CFR 400.43 and ORR State Letters 00-17, 01-13, 02-01, and 04-12., which are to be found on the ORR website at www.acf.hhs.gov/programs/orr.

As grantees providing services under this project may not discriminate on the basis of potential participants' race, gender, age, disability, or religion, **refugee men who are able to benefit from these services are also eligible for enrollment.**

Enrollment Criteria

The following documents are acceptable proof of refugee status during intake and service eligibility interviews:

I-94 showing admission into the U.S. as a refugee; A United States Permanent Resident Card (USCIS Form I-551), also known as a green card; Asylum Grant Letter.

Intake information must include the client's name, status under which client arrived in the U.S; date of eligibility, date of enrollment, date of projected program service termination, documentation of eligibility for HBCC services, alien number, birth date, current address, educational level, native language, literacy and English language level, prior work experience and skills, and social security number when obtained.

Service Agreement

Grantees are required to provide all HBCCMED enrollees with a letter of agreement clearly outlining program responsibilities, client responsibilities, and mutual understandings. ORR requires that the document contain a field for signatures of the two parties.

Assistance with Start-Up Costs of Project Enrollees

HBCCMED aims to serve refugee women with little or no resources, including recently arrived refugees who have not yet accumulated financial assets. Therefore, grantees providing child care training programs must allocate a portion of their grant amount to providing a **one-time stipend** to refugees who have completed training in the program and seek to launch their own home-based child care businesses. Despite variations across states, ORR has established the average cost is \$3,000 for acquiring working capital, inventory, supplies, furniture, toys, room renovation, business license fees, and other items necessary to start a home-based child care business. Thus, grantees may provide each home-based child care business entrepreneur no more than \$3,000 to cover partial start-up costs.

Selection of Candidates for Start-up Cost Stipends

ORR requires grantees to establish their own policies and procedures to ensure that stipends provided to refugees are used for the intended purpose of establishing a home-based child care business. These policies may include specific and objective criteria for reviewing applications for stipends by potential entrepreneurs. To ensure fairness, objectivity, and consistency of the process of determining the refugee's need for funding and deciding on appropriate stipend amounts, ORR requires grantees to institute review committees consisting of at least three people to consider the merit of each request.

Reporting Requirements

Grantees must address the following 13 data points in their semi-annual reports:

- The number of refugees targeted for outreach;
- The number of refugees enrolled in the program;
- The number of refugees receiving short-term training and technical assistance yearly;
- The number of refugees who obtain state or local HBCC licenses;
- The number of HBCC businesses created annually;
- The number of child care slots created annually by HBCC businesses;
- The average annual income of each HBCC business created through the program;
- The total amount in stipends that the applicant has provided to cover partial start-up costs of HBCC businesses;
- The number of stipends projected in awards to refugee entrepreneurs in start-up assistance;
- The number of HBCC businesses sustained at the end of the grant;
- The number of HBCC providers participating in a Child Care and Development Fund lead agency-recognized quality improvement program or Quality Rating and Improvement System (QRIS).
- The number of refugees able to work outside the home because their child care needs have been met; and
- The number of refugees who no longer need public cash assistance as a result of the grant.

NOTE: ORR may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. ORR will be seeking approval of its 13 data points through the OMB's Office of Information and Regulatory Affairs (OIRA), as required by the Paperwork Reduction Act of 1995, 44 U.S.C. §§ 3501-3521. ORR will not collect this information if these data points are not approved at the time that reports are due. Please see *Section VI.3. Reporting* for more information.

II. Award Information

Funding Instrument Type:	Grant
Estimated Total Funding:	\$2,000,000
Expected Number of Awards:	15
Award Ceiling:	\$300,000 Per Budget Period
Award Floor:	\$100,000 Per Budget Period
Average Projected Award Amount:	\$175,000 Per Budget Period

Length of Project Periods:

24-month project with two 12-month budget periods

Additional Information on Awards:

Awards made under this announcement are subject to the availability of federal funds.

Applications requesting an award amount that exceeds the *Award Ceiling* per budget period or per project period, as stated in this section, will be disqualified from competitive review and from funding under this announcement. This disqualification applies only to the *Award Ceiling* listed for the first 12-month budget period for projects with multiple budget periods. If the project and budget period are the same, the disqualification applies to the *Award Ceiling* listed for the project period. Please see *Section III.3. Other, Application Disqualification Factors*.

Note: For those programs that require matching or cost sharing, grantees will be held accountable for projected commitments of non-federal resources in their application budgets and budget justifications by budget period or by project period for fully funded awards, even if the projected commitment exceeds the required amount of match or cost share. **A grantee's failure to provide the required matching amount may result in the disallowance of federal funds.**

Please see *Section IV.5 Funding Restrictions* for limitations on the use of federal funds awarded under this announcement.

III. Eligibility Information

III.1. Eligible Applicants

Eligible Applicants

Eligible applicants for refugee programs under INA 412(c)(1)(A) are "public and private nonprofit agencies."

Note: Successful applicants awarded grants in FY 2013 to provide services in the same geographic area may not apply under this FOA. Agencies that have already completed similar projects are eligible.

Applications from individuals (including sole proprietorships) and foreign entities are not eligible and will be disqualified from competitive review and from funding under this announcement. See *Section III.3. Other, Application Disqualification Factors*.

Faith-based and community organizations that meet the eligibility requirements are eligible to receive awards under this funding opportunity announcement. Faith-based organizations are encouraged to review the ACF Policy on Grants to Faith-Based Organizations at: <http://www.acf.hhs.gov/acf-policy-on-grants-to-faith-based-organizations>.

See "Legal Status of Applicant Entity" in *Section IV.2* for documentation required to support eligibility.

III.2. Cost Sharing or Matching

Cost Sharing / Matching Requirement: No

III.3. Other

DUNS Number and System for Award Management Eligibility Requirements (SAM.gov)

All applicants must have a DUNS Number (<http://fedgov.dnb.com/webform>) and an active registration with the Central Contractor Registry (CCR) on the System for Award Management (SAM.gov, www.sam.gov).

Obtaining a DUNS Number may take 1 to 2 days.

All applicants are required to maintain an active SAM registration until the application process is complete. If a grant should be made, registration in the CCR at SAM must be active throughout the life of the award. **Finalize a new, or renew an existing, registration at least two weeks before the application deadline.** This action should allow you time to resolve any issues that may arise. Failure to comply with these requirements may result in your inability to submit your application or receive an award. Maintain documentation (with dates) of your efforts to register or renew at least two weeks before the deadline. See the SAM Quick Guide for Grantees at: https://www.sam.gov/sam/transcript/SAM_Quick_Guide_Grants_Registrations-v1.6.pdf.

HHS requires all entities that plan to apply for, and ultimately receive, federal grant funds from any HHS Agency, or receive subawards directly from recipients of those grant funds to:

- Be registered in the SAM prior to submitting an application or plan;
- Maintain an active SAM registration with current information at all times during which it has an active award or an application or plan under consideration by an OPDIV; and
- Provide its active DUNS number in each application or plan it submits to the OPDIV.

ACF is prohibited from making an award until an applicant has complied with these requirements. At the time an award is ready to be made, if the intended recipient has not complied with these requirements, ACF:

- May determine that the applicant is not qualified to receive an award; and
- May use that determination as a basis for making an award to another applicant.

Application Disqualification Factors

Applications from individuals (including sole proprietorships) and foreign entities are not eligible and will be disqualified from competitive review and from funding under this announcement.

Award Ceiling Disqualification

Applications that request an award amount that exceeds the *Award Ceiling* per budget period or per project period as stated in *Section II. Award Information*, will be disqualified from competitive review and from funding under this announcement. This disqualification applies only to the *Award Ceiling* listed for first 12-month budget period for projects with multiple budget periods. If the project and budget period are the same, the disqualification applies to the *Award Ceiling* listed for the project period.

Required Electronic Application Submission

ACF requires electronic submission of applications at www.Grants.gov. **Paper applications received from applicants that have not been approved for an exemption from required electronic submission will be disqualified from competitive review and from funding under this announcement.**

Applicants that do not have an Internet connection or sufficient computing capacity to upload large documents to the Internet may contact ACF for an exemption that will allow the applicant to submit applications in paper format. Information and the requirements for requesting an exemption from required electronic application submission are found in "Request an Exemption from Electronic Application Submission" in *Section IV.2. Content and Form of Application Submission*.

Application Deadlines

The deadline for electronic application submission is 11:59 p.m., ET, on the due date listed in the Overview and in Section IV.3. Submission Dates and Times. Electronic applications submitted to www.Grants.gov after 11:59 p.m., ET, on the due date, as indicated by a dated and time-stamped email from www.Grants.gov, will be disqualified from competitive review and from funding under this announcement. That is, applications submitted to www.Grants.gov, on or after 12:00 a.m., ET, on the day after the due date will be disqualified from competitive review and from funding under this announcement.

Applications submitted to www.Grants.gov at any time during the open application period, and prior to the due date and time, which fail the www.Grants.gov validation check, will not be received at, or acknowledged by, ACF.

Each time an application is submitted via www.Grants.gov, the submission will generate a new date and time-stamp email notification. Only those applications with on-time date and time stamps that result in a validated application, which is transmitted to ACF, will be acknowledged.

The deadline for receipt of paper applications is 4:30 p.m., ET, on the due date listed in the Overview and in Section IV.3. Submission Dates and Times. Paper applications received after 4:30 p.m., ET, on the due date will be disqualified from competitive review and from funding under this announcement. **Paper applications received from applicants that have not received approval of an exemption from required electronic submission will be disqualified from competitive review and from funding under this announcement.**

Additional Disqualification Factor

Successful applicants awarded grants under the FY 2013 HBCCMED Project seeking to serve the same geographic area will be disqualified from competitive review and from funding under this announcement.

Notification of Application Disqualification

Applications that are disqualified under these criteria are considered to be “non-responsive” and are excluded from the competitive review process. Applicants will be notified of a disqualification determination by email or by USPS postal mail within 30 federal business days from the closing date of this funding opportunity announcement.

Section IV.2. Content and Form of Application Submission

FORMATTING ACF APPLICATIONS

In FY 2013 ACF implemented a new application upload requirement. Each applicant applying electronically via www.grants.gov is required to upload only two electronic files, excluding Standard Forms and OMB-approved forms. No more than two files will be accepted for the review, and additional files will be removed. Standard Forms and OMB-approved forms will not be considered additional files.

FOR ALL APPLICATIONS:

Authorized Organizational Representative (AOR)

AOR is the designated representative of the applicant/recipient organization with authority to act on the organization's behalf in matters related to the award and administration of grants. In signing a grant application, this individual agrees that the organization will assume the obligations imposed by applicable Federal statutes and regulations and other terms and conditions of the award, including any assurances, if a grant is awarded.

AOR authorization is part of the registration process at www.Grants.gov, where the AOR will create a short profile and obtain a username and password from the Grants.gov Credential Provider. AORs will only be authorized for the DUNS number registered in the System for Awards Management (SAM).

Point of Contact

In addition to the AOR, a point of contact on matters involving the application must also be identified.

The point of contact, known as the Project Director or Principal Investigator, should not be identical to the person identified as the AOR. The point of contact must be available to answer any questions pertaining to the application.

Application Checklist

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials.

Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* of this announcement.

Accepted Font Style

Applications must be in Times New Roman (TNR), 12-point font, except for footnotes, which may be TNR 10-point font.

Page Limitations

Applicants must observe the page limitation(s) listed under "PAGE LIMITATIONS AND CONTENT FOR ALL SUBMISSION FORMATS:". Page limitation(s) do not include SFs and OMB-approved forms.

All applications must be double-spaced and in Times New Roman, 12-point font. An application that exceeds the cited page limitation for double-spaced pages in the Project Description file or the Appendices file will have the last extra pages removed and the removed pages will not be reviewed.

Application Elements Exempted from Double-Spacing Requirements

The following elements of the application submission are exempt from the double-spacing requirements and may be single-spaced: the one-page Project Summary/Abstract, required Assurances and Certifications, required SFs, required OMB-approved forms, resumes, logic models, proof of legal status/non-profit status, third-party agreements, letters of support, footnotes, tables, the line-item budget and/or the budget justification.

Adherence to FOA Formatting, Font, and Page Limitation Requirements

Applications that fail to adhere to ACF's FOA formatting, font, and page limitation requirements will be adjusted by the removal of page(s) from the application. Pages will be removed before the objective review. The removed page(s) will not be made available to reviewers.

In instances where formatting and font requirements are not adhered to, ACF uses a formula to determine the actual number of pages to be removed. The formula counts the number of characters an applicant uses when following the instructions and using 12-point TNR and compares the resulting number with that of the submitted application. For example, an applicant using TNR, 11-point font, with 1-inch margins all around, and single-spacing, would have an additional 26 lines, or 1500 characters, which is equal to 4/5 of an additional page. Extra pages resulting from this formula will be removed and will not be reviewed.

Applications that have more than one scanned page of a document on a single page will have the page(s) removed from the review.

For applicants that submit paper applications, double-sided pages will be counted as two pages. When the maximum allowed number of pages is reached, excess pages will be removed and will not be made available to reviewers.

NOTE: Applicants failing to adhere to ACF's FOA formatting, font, and page limitation requirements will receive a letter from ACF notifying them that their application was amended. The letter will be sent after awards have been issued and will specify the reason(s) for removal of page(s).

Copies Required

Applicants must submit one complete copy of the application package electronically. Applicants submitting electronic applications need not provide additional copies of their application package.

Applicants submitting applications in paper format must submit one original and two copies of the complete application, including all Standard Forms and OMB-approved forms. The original copy must have original signatures.

Signatures

Applicants submitting electronic applications must follow the registration and application submission instructions provided at www.Grants.gov.

The original of a paper format application must include original signatures of the authorized representatives.

Accepted Application Format

With the exception of the required Standard Forms (SFs) and OMB-approved forms, all application materials must be formatted so that they are 8 ½" x 11" white paper with 1-inch margins all around.

If possible, applicants are encouraged to include page numbers for each page within the application.

ACF generally does not encourage submission of scanned documents as they tend to have reduced clarity and readability. If documents must be scanned, the font size on any scanned documents must be large enough so that it is readable. Documents must be scanned page-for-page, meaning that applicants may not scan more than one page of a document onto a single page.

ELECTRONIC APPLICATION SUBMISSION INSTRUCTIONS

Applicants are required to submit their applications electronically unless they have requested and received an exemption that will allow submission in paper format. See *Section IV.2. Application Submission Options* for information about requesting an exemption.

Electronic applications will only be accepted via www.Grants.gov. **ACF will not accept applications submitted via email or via facsimile.**

Each applicant is required to upload ONLY two electronic files, excluding SFs and OMB-approved forms.

File One: Must contain the entire Project Description, and the Budget and Budget Justification (including a line-item budget and a budget narrative).

File Two: Must contain all documents required in the Appendices.

Adherence to the Two-File Requirement

No more than two files will be accepted for the review. Applications with additional files will be amended and files will be removed from the review. SFs and OMB-approved forms will not be considered additional files.

Please do not attach additional documents to the SF-424 at Question 14 and/or after Question 15. Instead of providing a separate response to Question 14, all applicants are required to submit the SF for Project/Performance Site Location(s) (SF-P/PSL). In the SF-P/PSL, applicants may cite their primary location and up to 29 additional performance sites. Documents submitted as attachments to the SF-424 will be removed from the application and will not be reviewed.

Application Upload Requirements

ACF strongly recommends that electronic applications be uploaded as Portable Document Files (PDFs). One file must contain the entire Project Description and Budget Justification; the other file must contain all documents required in the Appendices. Details on the content of each of the two files, as well as page

limitations, are listed later in this section.

To adhere to the two-file requirement, applicants may need to convert and/or merge documents together using a PDF converter software. Many recent versions of Microsoft Office include the ability to save documents to the PDF format without need of additional software. Applicants using the Adobe Professional software suite will be able to merge these documents together. ACF recommends merging documents electronically rather than scanning multiple documents into one document manually, as scanned documents may have reduced clarity and readability.

However, ACF understands that all applicants may not have access to this software. Grants.gov offers a listing of several free PDF conversion programs. These programs can be found on Grants.gov by clicking on "Applicants" at the top menu bar and selecting "Applicant Resources" from the drop-down list. Go to the "Technical Support & Self-Help" section and click on "Grants.gov Compatible Software." A link to "PDF Conversion Software" is available in the left-hand menu box. Free PDF software, available on this page, will allow users to convert and merge their PDF documents. As an example, ACF is providing written instructions for downloading and using one type of free software listed at Grants.gov at the following link: [https:// www.acf.hhs.gov/ sites/ default/ files/ assets/ pdf995 instructions for video.pdf](https://www.acf.hhs.gov/sites/default/files/assets/pdf995_instructions_for_video.pdf). ACF does not endorse any of the software listed on Grants.gov, and applicants are not required to use a specific type of PDF conversion software to submit an application.

For any systems issues experienced with Grants.gov or with SAM.gov, please refer to ACF's "Policy for Applicants Experiencing Federal Systems Issues" document for complete guidance at [http:// www.acf.hhs.gov/grants](http://www.acf.hhs.gov/grants) under "Grants Related Information."

Required Standard Forms (SFs) and OMB-approved Forms

Standard Forms (SFs) and OMB-approved forms, such as the SF-424 application and budget forms and the SF-P/PSL (Project/Performance Site Location), are uploaded separately at Grants.gov. These forms are submitted separately from the Project Description and Appendices files. See *Section IV.2. Required Forms, Assurances, and Certifications* for the listing of required Standard Forms, OMB-approved forms, and required assurances and certifications.

Naming Application Submission Files

Observe the file naming conventions required by www.Grants.gov. Applicants should name their application files so that the content is easily identified by ACF.

Use only file formats supported by ACF

It is critical that applicants submit applications using only the supported file formats listed here. While ACF supports all of the following file formats, **we strongly recommend that the two application submission files (Project Description and Appendices) are uploaded as PDF documents in order to comply with the two file upload limitation.** Documents in file formats that are not supported by ACF will be removed from the application and will not be used in the competitive review. This may make the application incomplete and ACF will not make any awards based on an incomplete application.

ACF supports the following file formats:

- Adobe PDF – Portable Document Format (.pdf)
- Microsoft Word (.doc or .docx)
- Microsoft Excel (.xls or .xlsx)
- Microsoft PowerPoint (.ppt)
- Corel WordPerfect (.wpd)
- Image Formats (.JPG, .GIF, .TIFF, or .BMP only)

Do Not Encrypt or Password-Protect the Electronic Application Files

If ACF cannot access submitted electronic files because they are encrypted or password protected, the affected file will be removed from the application and will not be reviewed. This removal may make the application incomplete and ACF will not make awards based on an incomplete application.

FORMATTING FOR PAPER APPLICATION SUBMISSIONS:

The following requirements are only applicable to applications submitted in paper format. Applicants must receive an exemption from ACF in order for a paper format application to be accepted for review. See *Section IV.2. Request an Exemption from Required Electronic Application Submission* later in this section under *Application Submission Options* for more information.

Format Requirements for Paper Applications

All copies of mailed or hand-delivered paper applications must be submitted in a single package. If an applicant is submitting multiple applications under a single FOA, or multiple applications under separate FOAs, each application submission must be packaged separately. The package(s) must be clearly labeled for the specific FOA it addresses by FOA title and by Funding Opportunity Number (FON).

Because each application will be duplicated, do not use or include separate covers, binders, clips, tabs, plastic inserts, maps, brochures, or any other items that cannot be processed easily on a photocopy machine with an automatic feed. Do not bind, clip, staple, or fasten in any way separate sections of the application. Applicants are advised that the copies of the application submitted, not the original, will be reproduced by the federal government for review. **All application materials must be one-sided for duplication purposes.**

Addresses for Submission of Paper Applications

See *Section IV.6. Other Submission Requirements* for addresses for paper format application submissions.

PAGE LIMITATIONS AND CONTENT FOR ALL SUBMISSION FORMATS:

With the exception of SFs and OMB-approved forms, **the application submission in its entirety** (Project Description and Appendices) **is limited to 80 pages.**

Project Description

The Project Description must be organized in the following order:

- Project Summary/Abstract
- Table of Contents
- Objectives and Need for Assistance
- Geographic Area of Operations
- Approach
- Expected Outcomes
- Performance Evaluation Plan
- Logic Model
- Plan for Oversight of Federal Funds
- Itemized Budget
- Budget Justification/Narrative

Appendices

The Appendices file must include:

- Required Certifications and Assurances
- Proof of Legal Status
- Third-Party Agreements
- Resumes of Current Staff and/or Position Descriptions
- Organizational Chart of Applicant Entity and the Project

- Letter of Agreement with a Cognizant Federal Agency on Indirect Charges, if relevant
- Letters of Support from the cognizant local HBCC licensing agency
- Letters of Support from local landlords and property owners regarding the use of leased premises for operating a HBCC business
- Any other information the applicant deems relevant and necessary

Required Forms, Assurances, and Certifications

Applicants seeking grant or cooperative agreement awards under this announcement must submit the listed Standard Forms (SFs), assurances, and certifications with the application. All required Standard Forms, assurances, and certifications will be available in the application kit posted for this funding opportunity at www.grants.gov.

Other versions of required Standard Forms, assurances, and certifications are available at ACF Funding Opportunities Forms at <https://www.acf.hhs.gov/grants-forms> and at Grants.gov <http://www.grants.gov/web/grants/forms.html> by using the link to "SF-424 Family," unless specified otherwise.

Forms / Assurances / Certifications	Submission Requirement	Notes / Description
SF-Project/Performance Site Location(s) (SF-P/PSL)	Submission is required for all applicants by the application due date.	Required for all applications. In the SF-P/PSL, applicants may cite their primary location and up to 29 additional performance sites. As a Standard Form (SF), this form is not included in the application's page limitation.
Certification Regarding Lobbying (Grants.gov Lobbying Form)	Submission required of all applicants with the application package. If it is not submitted with the application package, it must be submitted prior to the award of a grant.	Submission of the certification is required for all applicants.
SF-LLL - Disclosure of Lobbying Activities	If submission of this form is applicable, it is due at the time of application. If it not available at the time of application, it may also be submitted prior to the award of a grant.	If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the applicant shall complete and submit the SF-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

<p>Certification of Filing and Payment of Federal Taxes</p>	<p>Submission of a certification is required prior to award for grantees receiving more than \$5,000,000 in Federal funding for the first budget year of a multi-year project; or for grantees receiving more than \$5,000,000 in Federal funding for a one-year (12 months) project period; or for grantees receiving more than \$5,000,000 in Federal funding for a multiyear project to be fully funded.</p>	<p>Applicants are advised of the following requirement contained in Section 518 of the “Departments of Labor, Health and Human Services and Education, and Related Agencies Appropriations Act, 2014,” (Pub.L. 113-76, Division H).</p> <p>This requirement remains in effect: Sec. 518.</p> <p>None of the funds appropriated or otherwise made available by this Act may be used to enter into a contract in an amount greater than \$5,000,000 or to award a grant in excess of such amount unless the prospective contractor or grantee certifies in writing to the agency awarding the contract or grant that, to the best of its knowledge and belief, the contractor or grantee has filed all Federal tax returns required during the three years preceding the certification, has not been convicted of a criminal offense under the Internal Revenue Code of 1986, and has not, more than 90 days prior to certification, been notified of any unpaid Federal tax assessment for which the liability remains unsatisfied, unless the assessment is the subject of an installment agreement or offer in compromise that has been approved by the Internal Revenue Service and is not in default, or the assessment is the subject of a non-frivolous administrative or judicial proceeding.</p> <p>Accordingly, if applicants request more than \$5 million in Federal funds for the first budget year of a multiyear project to be funded in FY 2014, or as a multiyear project to be fully funded in FY 2014, the applicant will be required to submit a certification complying with the requirements, prior to receiving an award.</p>

<p>SF-424A - Budget Information - Non-Construction Programs and SF-424B - Assurances - Non-Construction Programs</p>	<p>Submission is required for all applicants when applying for a non-construction project. Standard Forms must be used. Forms must be submitted by the application due date.</p>	<p>Required for all applications when applying for a non-construction project. By signing and submitting the SF-424B, applicants are making the appropriate certification of their compliance with all federal statutes relating to nondiscrimination.</p>
<p>SF-424 - Application for Federal Assistance</p>	<p>Submission is required for all applicants by the application due date.</p>	<p>Required for all applications.</p>

ORR LGBT Assurance

Submission of an application for this funding opportunity constitutes assurance that in serving beneficiaries of this program, the applicant:

- has policies prohibiting discrimination and harassment of such beneficiaries based on race, sexual orientation, gender, gender identity (or expression), religion, and national origin in place;
- will be inclusive of and non-stigmatizing toward lesbian, gay, bisexual, and transgender (LGBT) including LGBT youth;
- will ensure that all staff serving program beneficiaries are trained to prevent and respond to harassment in all forms; and
- is prepared to monitor claims of harassment and discrimination of beneficiaries, address them seriously, and document corrective action(s) so all participants are assured that programs are safe, inclusive, and non-stigmatizing by design and in operation.

Submission of an application for this award further constitutes an assurance that any sub-awardees or subcontractors:

- have policies prohibiting discrimination and harassment of beneficiaries based on race, sexual orientation, gender, gender identity (or expression), religion, and national origin and will enforce these policies;

- will be inclusive of and non-stigmatizing toward lesbian, gay, bisexual, and transgender (LGBT) refugees including LGBT youth;
- will ensure that all staff will be trained prior to program implementation on how to prevent and respond to harassment and discrimination of beneficiaries in all forms, and;
- are prepared to monitor claims of harassment and discrimination of beneficiaries, address them seriously, and document corrective action(s) so all participants are assured that programs are safe, inclusive, and non-stigmatizing by design and in operation.

Non-Federal Reviewers

Since ACF will be using non-federal reviewers in the review process, applicants have the option of omitting from the application copies (not the original) specific salary rates or amounts for individuals specified in the application budget as well as Social Security Numbers, if otherwise required for individuals. The copies may include summary salary information. If applicants are submitting their application electronically, ACF will omit the same specific salary rate information from copies made for use during the review and selection process.

The Project Description

Part I: The Project Description Overview

Purpose

The project description provides the majority of information by which an application is evaluated and ranked in competition with other applications for available assistance. It should address the activity for which federal funds are being requested, and should be consistent with the goals and objectives of the program as described in *Section I. Program Description*. Supporting documents should be included where they can present information clearly and succinctly. When appropriate, applicants should cite the evaluation criteria that are relevant to specific components of their project description. Awarding offices use this and other information in making their funding recommendations. It is important, therefore, that this information be included in the application in a manner that is clear and complete.

General Expectations and Instructions

Applicants should develop project descriptions that focus on outcomes and convey strategies for achieving intended performance. Project descriptions are evaluated on the basis of substance and measurable outcomes, not length. Extensive exhibits are not required. Cross-referencing should be used rather than repetition. Supporting information concerning activities that will not be directly funded by the grant or information that does not directly pertain to an integral part of the grant-funded activity should be placed in an appendix.

Part II: General Instructions for Preparing a Full Project Description

Introduction

Applicants must prepare the project description statement in accordance with the following instructions while being aware of the specified evaluation criteria in *Section V.1. Criteria*. The text options give a broad overview of what the project description should include while the evaluation criteria identify the measures that will be used to evaluate applications.

Table of Contents

List the contents of the application including corresponding page numbers. The table of contents must be single spaced and will be counted against the total page limitations.

Project Summary/Abstract

Provide a summary of the application's project description. The summary must be clear, accurate, concise, and without reference to other parts of the application. The abstract must include a brief description of the proposed grant project including the needs to be addressed, the proposed services, and the population group(s) to be served.

Please place the following at the top of the abstract:

- Project Title
- Applicant Name
- Address
- Contact Phone Numbers (Voice, Fax)
- E-Mail Address
- Web Site Address, if applicable

The project abstract must be single-spaced, in Times New Roman 12-point font, and limited to one page in length. Additional pages will be removed and will not be reviewed.

Objectives And Need For Assistance

Clearly identify the physical, economic, social, financial, institutional, and/or other problem(s) requiring a solution. The need for assistance including the nature and scope of the problem must be demonstrated, and the principal and subordinate objectives of the project must be clearly and concisely stated; supporting documentation, such as letters of support and testimonials from concerned interests other than the applicant, may be included. Any relevant data based on planning studies should be included or referred to in the endnotes/footnotes. Incorporate demographic data and participant/beneficiary information, as well as data describing the needs of the target population and the proposed service area as needed. When appropriate, a literature review should be used to support the objectives and needs described in this section.

Outcomes Expected

Identify the outcomes to be derived from the project. Outcomes should relate to the overall goals of the project as described in *Section I. Program Description*. If research is part of the proposed work, outcomes must include hypothesized results and implications of the proposed research.

State the direct and indirect outcomes expected from the proposed program, which should relate to the HBCCMED goals outlined in *Section I. Funding Opportunity Description*. Specify how refugee individuals and families will benefit directly from the proposed project and its activities. Identify baseline data against which all projected outcomes will be tracked and quantified. **Quantify all targeted outcomes** for each of the 2 years covered in the project period, relating to the 13 data points listed in *Section I. Reporting Requirements*.

Approach

Outline a plan of action that describes the scope and detail of how the proposed project will be accomplished. Applicants must account for all functions or activities identified in the application. Describe any design or technological innovations, reductions in cost or time, or extraordinary social and/or community involvement in the project. Provide a list of organizations, cooperating entities, consultants, or other key individuals that will work on the project, along with a short description of the nature of their effort or contribution.

Cite potential obstacles and challenges to accomplishing project goals and explain strategies that will be used to address these challenges.

HBCCMED Plan of Action

Describe in detail how the proposed approach seeks to achieve the objectives of the project, which in turn match those stated in Section I. HBCCMED Project Purpose and Scope. Clearly state the work to be undertaken and outline how, through training and technical assistance on an individual and group basis, your agency (and any implementing partners) will assist refugee entrepreneurs in availing themselves of employment opportunities and overcoming challenges, such as lack of access to capital and unfamiliarity with U.S norms regarding early child care and development. Provide detailed information on how HBCCMED-related activities will be developed, and services will be provided in a manner that is ethnically, culturally, and linguistically sensitive to the population to be served. Support your action plan with a logic model and provide a timeline of program-related activities and achievement, specifying precisely each stage of program implementation starting from outreach and culminating in follow-up technical assistance to program alumni up to a year after their licensure as HBCC providers. Specify the relevant fields of training to be provided to enrollees in the program, listing all organizations that will be involved in program implementation, and describing the nature of their involvement. Describe how your agency will encourage continuity of care by providers. Address how you will provide targeted technical assistance on child development, caregiver-child interactions, and school readiness to include:

- Health and safety
- Infant and toddler care
- School-age care
- Inclusion
- Teaching dual language learners
- Understanding developmental screenings and/or observational assessment tools for program improvement purposes
- Mental health
- Business management practices

Account for any factors that may impede program implementation and achievement of targets, such as low literacy levels among enrollees, and include strategies for addressing them.

Project Timeline and Milestones

Provide quantitative monthly or quarterly projections of the accomplishments to be achieved for each function, or activity, in such terms as the number of people to be served and the number of activities accomplished. Data may be organized and presented as project tasks and subtasks with their corresponding timelines during the project period. For example, each project task could be assigned to a row in the first column of a grid. Then, a unit of time could be assigned to each subsequent column, beginning with the first unit (i.e., week, month, quarter) of the project and ending with the last. Shading, arrows, or other markings could be used across the applicable grid boxes or cells, representing units of time, to indicate the approximate duration and/or frequency of each task and its start and end dates within the project period.

When accomplishments cannot be quantified by activity or function, list them in chronological order to show the schedule of accomplishments and their target dates.

Program Performance Evaluation Plan

Applicants must describe the plan for the program performance evaluation that will contribute to continuous quality improvement. The program performance evaluation should monitor ongoing processes and the progress towards the goals and objectives of the project. Include descriptions of the inputs (e.g., organizational profile, collaborative partners, key staff, budget, and other resources), key processes, and expected outcomes of the funded activities. The plan may be supported by a logic model and must explain how the inputs, processes and outcomes will be measured, and how the resulting information will be used to inform improvement of funded activities.

Applicants must describe the systems and processes that will support the organization's performance management requirements through effective tracking of performance outcomes, including a description of how the organization will collect and manage data (e.g. assigned skilled staff, data management software) in a way that allows for accurate and timely reporting of performance outcomes. Applicants must describe any potential obstacles for implementing the program performance evaluation and how those obstacles will be addressed.

Geographic Location

Describe the precise location of the project and boundaries of the area to be served by the proposed project.

Legal Status of Applicant Entity

Applicants must provide the following documentation:

Non-profit organizations applying for funding are required to submit proof of their non-profit status. Proof of non-profit status is any one of the following:

- A reference to the applicant organization's listing in the IRS's most recent list of tax-exempt organizations described in the IRS Code.
- A copy of a currently valid IRS tax-exemption certificate.
- A statement from a state taxing body, state attorney general, or other appropriate state official certifying that the applicant organization has non-profit status and that none of the net earnings accrue to any private shareholders or individuals.
- A certified copy of the organization's certificate of incorporation or similar document that clearly establishes non-profit status.
- Any of the items in the subparagraphs immediately above for a state or national parent organization and a statement signed by the parent organization that the applicant organization is a local non-profit affiliate.

When applying electronically, it is strongly suggested that the applicant attach proof of non-profit status with the electronic application.

Logic Model

Applicants must submit a logic model for designing and managing their project. A logic model is a one-page diagram that presents the conceptual framework for a proposed project and explains the links among program elements. While there are many versions of logic models, for the purposes of this announcement the logic model should summarize the connections between the:

- Goals of the project (e.g., objectives, reasons for proposing the interventions, if applicable);
- Assumptions (e.g., beliefs about how the program will work and its supporting resources. Assumptions should be based on research, best practices, and experience);
- Inputs (e.g., organizational profile, collaborative partners, key staff, budget);
- Target population (e.g., the individuals to be served);

- Activities (e.g., approach, listing key intervention, if applicable);
- Outputs (i.e., the direct products or deliverables of program activities); and
- Outcomes (i.e., the results of a program, typically describing a change in people or systems).

Organizational Capacity

Provide the following information on the applicant organization and, if applicable, on any cooperating partners:

- Organizational charts;
- Resumes (no more than two single-spaced pages in length);
- Curricula Vitae (CV);
- List of Board of Directors;
- Audit reports or statements from Certified Public Accountants/Licensed Public Accountants, if available, submit statements for up to the two most recently completed fiscal years (this requirement does not apply to start-up organizations);
- Evidence that the applicant organization, and any partnering organizations, have relevant experience and expertise with administration, development, implementation, management, and evaluation of programs similar to that offered under this announcement;
- Evidence that each participating organization, including partners and/or subcontractors, possess the organizational capability to fulfill their role(s) and function(s) effectively;
- Child care licenses and other documentation of professional accreditation;
- Job descriptions for each vacant key position.

Protection of Sensitive and/or Confidential Information

If any confidential or sensitive information will be collected during the course of the project, whether from staff (e.g., background investigations) or project participants and/or project beneficiaries, provide a description of the methods that will be used to ensure that confidential and/or sensitive information is properly handled and safeguarded. Also provide a plan for the disposition of such information at the end of the project period.

Third-Party Agreements

Third-party agreements include Memoranda of Understanding (MOU) and Letters of Commitment. General letters of support are **not** considered to be third-party agreements. Third-party agreements must clearly describe the project activities and support to which the third party is committing. Third-party agreements must be signed by the person in the third-party organization with the authority to make such commitments on behalf of their organization.

Provide written and signed agreements between grantees and subgrantees, or subcontractors, or other cooperating entities. These agreements must detail the scope of work to be performed, work schedules, remuneration, and other terms and conditions that structure or define the relationship.

Collaboration/consortia applicants must provide letters of commitment or MOU identifying the primary applicant that is responsible for administering the grant. The primary applicant must provide documentation of the commitments made by partnering organizations and describe in detail their roles and responsibilities as partners in the collaboration/consortia.

Letters Of Support

Provide statements from community, public, and commercial leaders that support the project proposed for funding. All submissions must be included in the application package.

Plan for Oversight of Federal Award Funds

Provide a plan describing how oversight of federal funds will be ensured and how grant activities and partner(s) will adhere to applicable federal and programmatic regulations. Applicants must identify staff that will be responsible for maintaining oversight of program activities, staff, and partner(s). Applicants must describe procedures and policies used to oversee staff and/or partners/contractors.

Describe organizational records systems that relate financial data to performance data by identifying the source and application of federal funds so that they demonstrate effective control over and accountability for funds, compare outlays with budget amounts, and provide accounting records supported by source documentation.

The Project Budget and Budget Justification

All applicants are required to submit a project budget and budget justification with their application. The project budget is entered on the Budget Information Standard Form, either SF-424A or SF-424C, according to the directions provided with the SFs. The budget justification consists of a budget narrative and a line-item budget detail that includes detailed calculations for "object class categories" identified on the Budget Information Standard Form.

Project budget calculations must include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated. If matching or cost sharing is a requirement, applicants must include a detailed listing of any funding sources identified in Block 18 of the SF-424 (Application for Federal Assistance). See the table in *Section IV.2. Required Forms, Assurances, and Certifications* listing the appropriate budget forms to use in this application.

Special Note: *The Consolidated Appropriations Act, 2014 (Pub.L. 113-76), enacted January 17, 2014, limits the salary amount that may be awarded and charged to ACF grants and cooperative agreements. Award funds issued under this announcement may not be used to pay the salary, or any percentage of salary, to an individual at a rate in excess of Executive Level II. The Executive Level II salary of the Federal Executive Pay scale is \$181,500 (<http://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/salary-tables/pdf/2014/EX.pdf>). This amount reflects an individual's base salary **exclusive** of fringe benefits and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/subcontracts under a ACF grant or cooperative agreement.*

Provide a budget using the 424A and/or 424C, as applicable, for each year of the proposed project. Provide a budget justification, which includes a budget narrative and a line-item detail, for the first year of the proposed project. The budget narrative should describe how the categorical costs are derived. Discuss the necessity, reasonableness, and allocation of the proposed costs.

As a condition of acceptance of the award under this FOA, all grantees are required to participate fully in ORR-sponsored trainings, webinars, and/or workshops, most of which will be held online or via conference calls. One training/workshop will likely be held in Washington, D.C. Thus, include in the budget all ORR workshop-related costs including airfares, lodging, and per diem expenses for 2 days for no more than 2 people.

General

Use the following guidelines for preparing the budget and budget justification. When a match or cost share is required, both federal and non-federal resources must be detailed and justified in the budget and budget narrative justification. "Federal resources" refers only to the ACF grant funds for which the applicant is applying. "Non-federal resources" are all other non-ACF federal and non-federal resources. It is suggested that budget amounts and computations be presented in a columnar format: first column, object class categories; second column, federal budget; next column(s), non-federal budget(s); and last

column, total budget. The budget justification should be in a narrative form.

Personnel

Description: Costs of employee salaries and wages.

Justification: Identify the project director or principal investigator, if known at the time of application. For each staff person provide: the title; time commitment to the project in months; time commitment to the project as a percentage or full-time equivalent; annual salary; grant salary; wage rates; etc. Do not include the costs of consultants, personnel costs of delegate agencies, or of specific project(s) and/or businesses to be financed by the applicant. Contractors and consultants should not be placed under this category.

Fringe Benefits

Description: Costs of employee fringe benefits unless treated as part of an approved indirect cost rate.

Justification: Provide a breakdown of the amounts and percentages that comprise fringe benefit costs such as health insurance, Federal Insurance Contributions Act (FICA) taxes, retirement insurance, and taxes.

Travel

Description: Costs of out-of-state or overnight project-related travel by employees of the applicant organization. Do not include in-state travel or consultant travel.

Justification: For each trip show the total number of traveler(s); travel destination; duration of trip; per diem; mileage allowances, if privately owned vehicles will be used to travel out of town; and other transportation costs and subsistence allowances. If appropriate for this project, travel costs for key project staff to attend ACF-sponsored workshops/conferences/grantee orientations should be detailed in the budget.

Equipment

Description: "Equipment" means an article of nonexpendable, tangible personal property having a useful life of more than one year per unit and an acquisition cost that equals or exceeds the lesser of: (a) the capitalization level established by the organization for the financial statement purposes, or (b) \$5,000. (Note: Acquisition cost means the net invoice unit price of an item of equipment, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired. Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation, shall be included in or excluded from acquisition cost in accordance with the applicant organization's regular written accounting practices.)

Justification: For each type of equipment requested applicants must provide a description of the equipment; the cost per unit; the number of units; the total cost; and a plan for use of the equipment in the project; as well as a plan for the use, and/or disposal of, the equipment after the project ends. An applicant organization that uses its own definition for equipment should provide a copy of its policy, or section of its policy, that includes the equipment definition.

Supplies

Description: Costs of all tangible personal property other than that included under the Equipment category. This includes office and other consumable supplies with a per-unit cost of less than \$5,000.

Justification: Specify general categories of supplies and their costs. Show computations and provide other information that supports the amount requested.

Contractual

Description: Costs of all contracts for services and goods except for those that belong under other categories such as equipment, supplies, construction, etc. Include third-party evaluation contracts, if applicable, and contracts with secondary recipient organizations (with budget detail), including delegate agencies and specific project(s) and/or businesses to be financed by the applicant. This area is not for individual consultants.

Justification: Demonstrate that all procurement transactions will be conducted in a manner to provide, to the maximum extent practical, open, and free competition. Recipients and subrecipients, other than states that are required to use 45 CFR Part 92 procedures, must justify any anticipated procurement action that is expected to be awarded without competition and exceeds the simplified acquisition threshold fixed by 41 U.S.C. § 134, as amended by 2 CFR Part 200.88, and currently set at \$150,000. Recipients may be required to make pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., available to ACF.

Note: Whenever the applicant intends to delegate part of the project to another agency, the applicant must provide a detailed budget and budget narrative for each contractor/sub-contractor, by agency title, along with the same supporting information referred to in these instructions. If the applicant plans to select the contractors/sub-contractors post-award and a detailed budget is not available at the time of application, the applicant must provide information on the nature of the work to be delegated, the estimated costs, and the process for selecting the delegate agency.

Other

Description: Enter the total of all other costs. Such costs, where applicable and appropriate, may include but are not limited to: consultant costs, local travel; insurance; food (when allowable); medical and dental costs (noncontractual); professional services costs (including audit charges); space and equipment rentals; printing and publication; computer use; training costs, such as tuition and stipends; staff development costs; and administrative costs.

Justification: Provide computations, a narrative description, and a justification for each cost under this category.

Indirect Charges

Description: Total amount of indirect costs. This category should be used only when the applicant currently has an indirect cost rate approved by the Department of Health and Human Services (HHS) or another cognizant federal agency.

Justification: An applicant that will charge indirect costs to the grant must enclose a copy of the current rate agreement. If the applicant organization is in the process of initially developing or renegotiating a rate, upon notification that an award will be made, it should immediately develop a tentative indirect cost rate proposal based on its most recently completed fiscal year, in accordance with the cognizant agency's guidelines for establishing indirect cost rates, and submit it to the cognizant agency. Applicants awaiting approval of their indirect cost proposals may also request indirect costs. When an indirect cost rate is requested, those costs included in the indirect cost pool should not be charged as direct costs to the grant. Also, if the applicant is requesting a rate that is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed.

Paperwork Reduction Disclaimer

As required by the Paperwork Reduction Act of 1995, 44 U.S.C. §§ 3501-3521, the public reporting burden for the Project Description and Budget/Budget Justification is estimated to average 60 hours per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection information. The Project Description information collection is approved under OMB control number 0970-0139, which expires 10/31/2015. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Application Submission Options

Electronic Submission via www.Grants.gov

- Additional guidance on the submission of electronic applications can be found at <http://www.grants.gov/web/grants/applicants/organization-registration.html>.
- If applicants encounter any technical difficulties in using www.Grants.gov, contact the Grants.gov Contact Center at: 1-800-518-4726, or by email at support@grants.gov, to report the problem and obtain assistance. Hours of Operation: 24 hours a day, 7 days a week. The Grants.gov Contact Center is closed on federal holidays.
- Applicants should always retain Grants.gov Contact Center service ticket number(s) as they may be needed for future reference.
- **Contact with the Grants.gov Contact Center prior to the listed application due date and time does not ensure acceptance of an application. If difficulties are encountered, the Grants Management Officer listed in *Section VII. Agency Contacts* will determine whether the submission issues are due to Grants.gov system errors or user error.**

Application Validation at www.Grants.gov

After an application has been successfully submitted to www.Grants.gov, it still must pass a series of validation checks. After an application is submitted, Grants.gov generates a submission receipt via email and also sets the application status to "Received." This receipt verifies that the application has been successfully delivered to the Grants.gov system.

Next, Grants.gov verifies the submission is valid by ensuring it does not contain viruses, the opportunity is still open, and the applicant login and applicant DUNS number match. If the submission is valid, Grants.gov generates a submission validation receipt via email and sets the application status to "Validated."

If the application is not validated, the application status is set to "Rejected." The system sends a rejection email notification to the applicant and the applicant must re-submit the application package. See "What to Expect After Submitting" at www.Grants.gov for more information.

Each time an application is submitted, or resubmitted, via www.Grants.gov, the application will receive a new date and time stamp. Only those applications with on-time date and time stamps that result in a validated application, which are transmitted to ACF, will be acknowledged.

Applicants will be provided with an acknowledgement from Grants.gov that the submitted application package has passed, or failed, a series of checks and validations. Applications that are submitted on time that fail the validation check will not be transmitted to ACF and will not be acknowledged.

NOTE: The Grants.gov validation check can affect whether the application is accepted for review. If an application fails the Grants.gov validation check and is not resubmitted by 11:59 p.m., ET, on the due date, it will not be transmitted to ACF and will be excluded from the review.

Similarly, if an applicant resubmits their application to Grants.gov by 11:59 p.m., ET, on the due date, and the resubmitted application does not pass the validation check, it will not be transmitted to ACF and will

be excluded from the review.

Systems Issues

For any systems issues experienced with Grants.gov or with SAM.gov, please refer to ACF's "Policy for Applicants Experiencing Federal Systems Issues" document for complete guidance at <http://www.acf.hhs.gov/grants> under "Grants Related Information."

Request an Exemption from Required Electronic Application Submission

ACF recognizes that some applicants may have limited or no Internet access, and/or limited computer capacity, which may prohibit them from uploading large files at www.Grants.gov. To accommodate such applicants, ACF offers an exemption from required electronic submission. The exemption will allow applicants to submit hard copy, paper applications by hand-delivery, applicant courier, overnight/express mail couriers, or by other representatives of the applicant.

To receive an exemption from required electronic application submission, applicants must submit a written request to ACF that must state that the applicant qualifies for the exemption for one of the two following reasons:

- Lack of Internet access or Internet connection, or
- Limited computer capacity that prevents the uploading of large documents (files) at www.Grants.gov.

Applicants may request and receive the exemption from required electronic application submission by either:

- Submitting an email request to electronicappexemption@acf.hhs.gov, or
- Sending a written request to the Office of Grants Management Contact listed in *Section VII. Agency Contacts* in this announcement.

Requests for exemption from required electronic application submission will be acknowledged with an approval or disapproval.

Requests that do not state one of the two listed reasons will not be approved.

An exemption is applicable to all applications submitted by the applicant organization during the Federal Fiscal Year (FFY) in which it is received. Applicants need only request an exemption once in a FFY. Applicants must request a new exemption from required electronic submission for any succeeding FFY.

Please Note: electronicappexemption@acf.hhs.gov **may only be used to request an exemption from required electronic submission.** All other inquiries must be directed to the appropriate Agency Contact listed in *Section VII.* of this announcement. Queries or requests submitted to this email address for any reason other than a request for an exemption from electronic application submission will not be acknowledged or answered.

All exemption requests must include the following information:

- Funding Opportunity Announcement Title,
- Funding Opportunity Number (FON),
- The listed Catalog of Federal Domestic Assistance (CFDA) number,
- Name of Applicant Organization and DUNS Number,
- AOR name and contact information,
- Name and contact information of person to be contacted on matters involving the application (i.e., the Point of Contact), and
- The reason for which the applicant is requesting an exemption from electronic application submission. The request for exemption must state one of the following two reasons: 1) lack of Internet access or Internet connection; or 2) lack of computer capacity that prevents uploading large

documents (files) to the Internet.

Exemption requests must be received by ACF no later than two weeks before the application due date, that is, 14 calendar days prior to the application due date listed in the *Overview* and in *Section IV.3. Submission Dates and Times*. If the fourteenth calendar day falls on a weekend or federal holiday, the due date for receipt of an exemption request will move to the next federal business day that follows the weekend or federal holiday.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* of this announcement.

Paper Format Application Submission

An exemption is now required for the submission of paper applications. See the preceding section on "Request an Exemption from Required Electronic Application Submission."

Applicants with exemptions that submit their applications in paper format, by mail or delivery, must submit one original and two copies of the complete application with all attachments. The original and each of the two copies must include all required forms, certifications, assurances, and appendices, be signed by the AOR, and be unbound. The original copy of the application must have original signature(s). See *Section IV.6.* of this announcement for address information for paper format application submissions.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* in this announcement.

IV.3. Submission Dates and Times

Due Date for Applications: **07/16/2014**

Explanation of Due Dates

The due date for receipt of applications is listed in the *Overview* section and in this section. See *Section III.3. Application Disqualification Factors*.

Electronic Applications

The deadline for submission of electronic applications via www.Grants.gov is 11:59 p.m., ET, on the due date. Electronic applications submitted at 12:00 a.m., ET, on the day after the due date will be considered late and will be disqualified from competitive review and from funding under this announcement.

Applicants are required to submit their applications electronically via www.Grants.gov unless they received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

ACF does not accommodate transmission of applications by email or facsimile.

Instructions for electronic submission via www.Grants.gov are available at: http://www.grants.gov/applicants/apply_for_grants.jsp.

Applications submitted to www.Grants.gov at any time during the open application period prior to the due date and time that fail the Grants.gov validation check will not be received at ACF. These applications will not be acknowledged.

Mailed Paper Format Applications

The deadline for mailed paper applications is 4:30 p.m., ET, on the due date. Mailed paper applications received after the due date and deadline time will be considered late and will be disqualified from competitive review and from funding under this announcement.

Paper format application submissions will be disqualified if the applicant organization has not received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

Hand-Delivered Paper Format Applications

Applications that are hand-delivered by applicants, applicant couriers, by overnight/express mail couriers, or other representatives of the applicant must be received on, or before, the due date listed in the *Overview* and in this section. These applications must be delivered between the hours of 8:00 a.m. and 4:30 p.m., ET, Monday through Friday (excluding federal holidays). Applications should be delivered to the address provided in *Section IV.6. Other Submission Requirements*.

Hand-delivered paper applications received after the due date and deadline time will be considered late and will be disqualified from competitive review and from funding under this announcement.

Hand-delivered paper format application submissions will be disqualified if the applicant organization has not received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

No appeals will be considered for applications classified as late under the following circumstances:

- Applications submitted electronically via www.Grants.gov are considered late when they are dated and time-stamped after the deadline of 11:59 p.m., ET, on the due date.
- Paper format applications received by mail or hand-delivery after 4:30 p.m., ET, on the due date will be classified as late and will be disqualified.
- Paper format applications received from applicant organizations that were not approved for an exemption from required electronic application submission under the process described in *Section IV.2. Request an Exemption from Required Electronic Submission* will be disqualified.

Extensions and/or Waiving Due Date and Receipt Time Requirements

ACF may extend an application due date and receipt time when circumstances make it impossible for applicants to submit their applications on time. These events include natural disasters (floods, hurricanes, tornados, etc.), or when there are widespread disruptions of electrical service, or mail service, or in other rare cases. The determination to extend or waive due date and/or receipt time requirements rests with the Grants Management Officer listed as the Office of Grants Management Contact in *Section VII. Agency Contacts*.

Acknowledgement from www.Grants.gov

Applicants will receive an initial email upon submission of their application to www.Grants.gov. This email will provide a **Grants.gov Tracking Number**. Applicants should refer to this tracking number in all communication with Grants.gov. The email will also provide a **date and time stamp**, which serves as the official record of application's submission. Receipt of this email does not indicate that the application is accepted or that it has passed the validation check.

Applicants will be provided with an acknowledgement from www.Grants.gov that the submitted application package has passed, or failed, a series of checks and validations. Applications that are submitted on time that fail the validation check will not be transmitted to ACF and will not be acknowledged.

See "What to Expect After Submitting" at www.Grants.gov for more information.

Acknowledgement from ACF of an electronic application's submission:

Applicants will be sent additional email(s) from ACF acknowledging that the application has been retrieved from www.Grants.gov by ACF. Receipt of these emails is not an indication that the application is accepted for competition.

Acknowledgement from ACF of receipt of a paper format application

ACF will not provide acknowledgement of receipt of hard copy application packages submitted via mail or courier services.

IV.4. Intergovernmental Review of Federal Programs

This program is not subject to Executive Order (E.O.) 12372, "Intergovernmental Review of Federal Programs," or 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Programs and Activities." No action is required of applicants under this announcement with regard to E.O. 12372.

IV.5. Funding Restrictions

Costs of organized fund raising, including financial campaigns, endowment drives, solicitation of gifts and bequests, and similar expenses incurred solely to raise capital or obtain contributions, are considered unallowable costs under grants or cooperative agreements awarded under this funding opportunity announcement.

Note: Costs incurred for grant application preparation are not considered allowable costs under an award and may not be included in the project budget or budget justification.

Grant awards will not allow reimbursement of pre-award costs.

Construction is not an allowable activity or expenditure under this grant award.

Purchase of real property is not an allowable activity or expenditure under this grant award.

IV.6. Other Submission Requirements

Submit paper applications to one of the following addresses. Also see *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

V. Application Review Information

V.1. Criteria

Please note: Reviewers will not access, or review, any materials that are not part of the application documents. This includes information accessible on websites via hyperlinks that are referenced, or embedded, in the application. Though an application may include web links, or embedded hyperlinks, reviewers will not review this information as it is not considered to be part of the application documents. Nor will the information on websites be taken into consideration in scoring of evaluation criteria presented in this section. Reviewers will evaluate and score an application based on the documents that are presented in the application and **will not** refer to, or access, external links during the objective review.

Applications competing for financial assistance will be reviewed and evaluated using the criteria described in this section. The corresponding point values indicate the relative importance placed on each review criterion. Points will be allocated based on the extent to which the application proposal addresses each of the criteria listed. Applicants should address these criteria in their application materials, particularly in the project description and budget justification, as they are the basis upon which competing applications will be judged during the objective review. The required elements of the project description and budget justification may be found in *Section IV.2* of this announcement.

STATEMENT OF NEEDS AND OBJECTIVES

Maximum Points: 15

In this section the applicant presents a clear justification of the need for its proposed program, which is highly responsive to the FOA.

- The applicant clearly and concisely lists the objectives of the proposed program and shows convincingly how they align with the FOA objectives. All objectives are SMART, as defined in *Section I: HBCCMED Project Requirements, Use of SMART Objectives*. (0-3 points)
- The applicant presents a specific, accurate, relevant, current, and detailed account of the refugee population targeted for service, demonstrating a thorough understanding of their needs, and identifying the specific challenges they face in terms of employment, income-generation, asset accumulation, access to capital from mainstream lending institutions, and access to culturally competent, licensed HBCC providers in their communities. (0-6 points)
- The applicant presents primary and secondary data along with other relevant evidence to justify why it is uniquely positioned to provide mentoring services to the refugee women and children it proposes to serve. (0-2 points)
- The applicant clearly defines the geographic area to be served, based on factors such as key socioeconomic and demographic characteristics of the targeted community as they relate to the HBCC Project, presenting accurate estimates of the targeted population intended for services. (0-2 points)
- The applicant presents a sufficient number of individualized and meaningful letters expressing support for its program from all stakeholders, including refugees intended to be served through the program, the cognizant local HBCC business licensing agency, landlords/property owners, resettlement agencies, and local government agencies. (0-2 points)

OUTCOMES EXPECTED

Maximum Points: 20

In this section, the applicant clearly outlines the direct and indirect SMART outcomes expected from implementing its program, quantifying them to the extent possible.

- The outcomes expected by the applicant are clearly defined and align with the goals of the program addressed in *Section I. Funding Opportunity Description, Goals of the HBCCMED Project*. The proposed outcomes cover the two-year project period and are linked with *Section IV.2. Project Timeline and Milestones* and *Section IV.2. Logic Model*. (0-13 points)
- The applicant places the same emphasis on high-quality child care and development for refugee families as it does on the economic integration of refugee women. Child care and development-related outcomes target enrollees' increased knowledge of child development and caregiver-child interactions through training in the first 7 of the 8 areas mentioned in *Section IV.2 HBCCMED Plan of Action*. (0-7 points)

PROGRAM PERFORMANCE EVALUATION PLAN

Maximum Points: 5

In this section, the applicant provides an effective plan for evaluation of the project as described in *Section I*. and in *Section IV.2. Program Performance Evaluation Plan*.

- The plan specifies SMART mechanisms (such as data collection and management systems) for accurate and timely tracking and evaluation of outcomes with appropriate benchmarks. (0-2 points)
- The plan allows for monthly, semi-annual, and annual tracking of the various results and benefits expected during the entire project period so as to report accurately all outcomes on a semi-annual and annual basis. (0-2 points)
- The applicant includes robust mechanisms such as participant surveys for identifying problems encountered during all stages of project implementation, including outreach, training, and post-licensing HBCC start-up plans, and for addressing them in a timely and effective manner. (0-1 point)

PLAN OF ACTION

Maximum Points: 30

In this section, the applicant provides a detailed and feasible plan of action, which relates entirely to the stated objectives and scope of HBCCMED as described in *Sections I*. and *IV.2*. of the FOA.

- The project narrative of the application presents a clear statement of work to be undertaken and the objectives for the proposed work. The narrative identifies and accounts for all proposed activities, specifying what activities will take place, at which location, how many individuals will be served, who will serve them, and in what timeframe. (0-5 points)
- The applicant proposes a sound technical approach using evidence-based training models which have a proven record of success with minority populations and are in compliance with local requirements for HBCC licensing and service provision. All proposed curricula are included. They fully address how technical assistance on child development, caregiver-child interactions, and school readiness will include the 8 areas specified in *Section IV.2. HBCCMED Plan of Action*. (0-5 points)
- The applicant convincingly shows that not only are the proposed activities highly likely to achieve the listed objectives, but also that they are appropriate for the targeted service area and population, showing how the proposed work will be accomplished. Accordingly, the proposed activities match the SMART objectives listed in the applicant's statement of needs and objectives. (0-3 points)
- The applicant's plan of action includes well-established, written protocols for outreach, intake, enrollment, service, and interaction with enrollees at all stages of the program. (0-3 points)

- The applicant's training and technical assistance plans cover all aspects of the program including enrollment, training, post-licensing, and start-up phases, including review of enrollees' request for stipends to cover partial start-up costs. (0-3 points)
- The applicant presents a detailed follow-up plan in support of program alumni for a reasonable period (up to 1 year) after the launch of their individual HBCC businesses. (0-3 points)
- The applicant presents a well-defined logic model that guides the proposed program, which demonstrates strong links between proposed inputs and activities and intended short-term, intermediate, and long-term outcomes. As such, it tracks the number of activities (such as outreach and training sessions conducted) and measures enrollees' progress in retaining HBCC training-related information. (0-5 points)
- The applicant includes a SMART timeline (e.g., charts that illustrate project schedules) for program implementation, including activities to be conducted in chronological order, accomplishments and target dates, with a consideration of factors that may accelerate or impede achievement of targets. (0-3 points)

ORGANIZATIONAL CAPACITY

Maximum Points: 20

In this section, the applicant describes convincingly its capacity as an organization to implement the proposed program.

- The applicant provides strong evidence documenting that the organization and key staff have the experience, expertise, and success in the program areas of this FOA.
- In the case of unfilled positions, attached job descriptions adequately show the level of competency required of implementing staff. All other supporting documents (such as resumes, key contracts, and MOUs) convincingly show that project personnel, including all contracted partners, have sufficient experience and expertise in working with refugees as well as in HBCC/MED projects. The organization has viable, solid partnerships with community service providers that make it a credible agent of change, capable of achieving the impact it seeks to create. (0-10 points)
- The project leadership possesses sufficient relevant knowledge, experience, and capabilities to implement and manage effectively a program of the size, scope, and complexity proposed in the application. (0-3 points)
- Using an organizational chart or similar document, the applicant clearly identifies and defines the roles, responsibilities, and time commitments of each proposed project staff position, including consultants, subcontractors, and/or partners. (0-5 points)
- The applicant clearly identifies personnel charged with oversight of federal funds and outlines the protocol they will employ in such oversight. (0-2 points)

BUDGET AND BUDGET JUSTIFICATION

Maximum Points: 10

The itemized budget and the budget narrative/justification meet all the criteria outlined below.

- The itemized budget is detailed, accurate, reasonable, commensurate and cost-effective in relation to proposed activities and anticipated outcomes. It includes unit costs for project services. (0-2 points)
- Personnel and time costs allocated to program implementation constitute an adequate and reasonable portion of award funds. (0-2 points)
- A reasonable proportion of the budget is designated for training and technical assistance costs. (0-2 points)
- A reasonable portion of the grant funds is allocated toward stipends for partial coverage of program alumni's start-up costs associated with HBCC businesses. (0-1 point)
- It allows for all travel expenses (including airfare, lodging, and per diem) for no more than 2

- project staff to attend the anticipated annual meeting in Washington, D.C. (0-1 point)
- The budget justification explains costs in sufficient detail, showing that they are commensurate with the types and range of activities and services to be conducted and the number of participants to be served. The itemized budget and budget justification are consistent with the project description. (0-2 points)

V.2. Review and Selection Process

No grant award will be made under this announcement on the basis of an incomplete application. No grant award will be made to an applicant or sub-recipient that does not have a DUNS number (www.dbn.com) and an active registration at SAM (www.sam.gov). See *Section III.3. Other*.

Initial ACF Screening

Each application will be screened to determine whether it meets any of the disqualification factors described in *Section III.3. Other, Application Disqualification Factors*.

Disqualified applications are considered to be “non-responsive” and are excluded from the competitive review process. Applicants will be notified of a disqualification determination by email or by USPS postal mail within 30 federal business days from the closing date of this funding opportunity announcement.

Objective Review and Results

Applications competing for financial assistance will be reviewed and evaluated by objective review panels using only the criteria described in *Section V.1. Criteria* of this announcement. Each panel is composed of experts with knowledge and experience in the area under review. Generally, review panels include three reviewers and one chairperson.

Results of the competitive objective review are taken into consideration by ACF in the selection of projects for funding; however, objective review scores and rankings are not binding. Scores and rankings are only one element used in the award decision-making process.

ACF may elect not to fund applicants with management or financial problems that would indicate an inability to successfully complete the proposed project. Applications may be funded in whole or in part. Successful applicants may be funded at an amount lower than that requested. ACF reserves the right to consider preferences to fund organizations serving emerging, unserved, or under-served populations, including those populations located in pockets of poverty. ACF will also consider the geographic distribution of federal funds in its award decisions.

Please refer to *Section IV.2.* of this announcement for information on non-federal reviewers in the review process.

Approved but Unfunded Applications

Applications recommended for approval that were not funded under the competition because of the lack of available funds may be held over by ACF and reconsidered in a subsequent review cycle if a future competition under the program area is planned. These applications will be held over for a period of up to one year and will be re-competed for funding with all other competing applications in the next available review cycle. For those applications that have been deemed as approved but unfunded, notice will be given of such determination by postal mail.

V.3. Anticipated Announcement and Award Dates

Awards will be made no later than September 30, 2014.

VI. Award Administration Information

VI.1. Award Notices

Successful applicants will be notified through the issuance of a Notice of Award (NOA) that sets forth the amount of funds granted, the terms and conditions of the grant, the effective date of the grant, the budget period for which initial support will be given, the non-federal share to be provided (if applicable), and the total project period for which support is contemplated. The NOA will be signed by the Grants Officer and transmitted via postal mail or email. Following the finalization of funding decisions, organizations whose applications will not be funded will be notified by letter signed by the cognizant Program Office head. Any other correspondence that announces to a Principal Investigator, or a Project Director, that an application was selected is not an authorization to begin performance.

Project costs that are incurred prior to the receipt of the NOA are at the recipient's risk and may be reimbursed only to the extent that they are considered allowable as approved pre-award costs. Information on allowable pre-award costs and the time period under which they may be incurred is available in *Section IV.5. Funding Restrictions*.

VI.2. Administrative and National Policy Requirements

Awards issued under this announcement are subject to the uniform administrative requirements and cost principles of 45 CFR Part 74 (Awards And Subawards To Institutions Of Higher Education, Hospitals, Other Nonprofit Organizations, And Commercial Organizations) or 45 CFR Part 92 (Grants And Cooperative Agreements To State, Local, And Tribal Governments). The Code of Federal Regulations (CFR) is available at <http://www.gpo.gov>.

An application funded with the release of federal funds through a grant award does not constitute, or imply, compliance with federal regulations. Funded organizations are responsible for ensuring that their activities comply with all applicable federal regulations.

Prohibition Against Profit

Grantees are subject to the limitations set forth in 45 CFR Part 74, Subpart E-Special Provisions for Awards to Commercial Organizations (45 CFR § 74.81 Prohibition against profit), which states that, "...no HHS funds may be paid as profit to any recipient even if the recipient is a commercial organization. Profit is any amount in excess of allowable direct and indirect costs."

Equal Treatment for Faith-Based Organizations

Grantees are also subject to the requirements of 45 CFR § 87.1(c), Equal Treatment for Faith-Based Organizations, which says, "Organizations that receive direct financial assistance from the [Health and Human Services] Department under any Department program may not engage in inherently religious activities such as worship, religious instruction, or proselytization, as part of the programs or services funded with direct financial assistance from the Department." Therefore, organizations must take steps to completely separate the presentation of any program with religious content from the presentation of the Federally funded program by time or location *in such a way that it is clear that the two programs are separate and distinct*. If separating the two programs by time but presenting them in the same location, one program must *completely* end before the other program begins.

A faith-based organization receiving HHS funds retains its independence from federal, state, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs. For example, a faith-based organization may use space in its facilities to provide secular programs or services funded with federal funds without removing religious art, icons, scriptures, or other religious symbols. In addition, a faith-based organization that receives federal funds retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents in accordance with all program requirements, statutes, and other applicable requirements governing the conduct of HHS-funded activities.

Regulations pertaining to the Equal Treatment for Faith-Based Organizations, which includes the prohibition against federal funding of inherently religious activities, "Understanding the Regulations Related to the Faith-Based and Neighborhood Partnerships Initiative" are available at <http://www.hhs.gov/partnerships/about/regulations/>. Additional information, resources, and tools for faith-based organizations is available through The Center for Faith-based and Neighborhood Partnerships website at <http://www.hhs.gov/partnerships/index.html> and at the <https://www.acf.hhs.gov/programs/ocs/resource/capacity-building-toolkits-for-faith-based-and-community-organizations>.

Award Term and Condition under the Trafficking Victims Protection Act of 2000

Awards issued under this announcement are subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. § 7104). For the full text of the award term, go to <http://www.acf.hhs.gov/grants/award-term-and-condition-for-trafficking-in-persons>. If you are unable to access this link, please contact the Grants Management Contact identified in *Section VII. Agency Contacts* of this announcement to obtain a copy of the term.

Requirements for Drug-Free Workplace

The Drug-Free Workplace Act of 1988 (41 U.S.C. §§ 8101-8106) requires that all organizations receiving grants from any federal agency agree to maintain a drug-free workplace. By signing the application, the Authorizing Official agrees that the grantee will provide a drug-free workplace and will comply with the requirement to notify ACF if an employee is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for debarment. Government-wide requirements for Drug-Free Workplace for Financial Assistance are found in 2 CFR Part 182; HHS implementing regulations are set forth in 2 CFR § 382.400. All recipients of ACF grant funds must comply with the requirements in Subpart B - Requirements for Recipients Other Than Individuals, 2 CFR § 382.225. The rule is available at <http://www.gpo.gov/fdsys/pkg/CFR-2001-title45-vol1/content-detail.html>.

Debarment and Suspension

HHS regulations published in 2 CFR Part 376 implement the governmentwide debarment and suspension system guidance (2 CFR Part 180) for HHS' non-procurement programs and activities. "Non-procurement transactions" include, among other things, grants, cooperative agreements, scholarships, fellowships, and loans. ACF implements the HHS Debarment and Suspension regulations as a term and condition of award. Grantees may decide the method and frequency by which this determination is made and may check the Excluded Parties List System (EPLS) located at <https://www.sam.gov/>, although checking the EPLS is not required. More information is available at <https://www.acf.hhs.gov/grants-forms>.

Pro-Children Act

The Pro-Children Act of 2001, 20 U.S.C. §§ 7181 through 7184, imposes restrictions on smoking in facilities where federally funded children's services are provided. HHS grants are subject to these requirements only if they meet the Act's specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with federal funds. The statute does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.

HHS Grants Policy Statement

The HHS Grants Policy Statement (HHS GPS) is the Department of Health and Human Services' single policy guide for discretionary grants and cooperative agreements. ACF grant awards are subject to the requirements of the HHS GPS, which covers basic grants processes, standard terms and conditions, and points of contact, as well as important agency-specific requirements. Appendices to the HHS GPS include a glossary of terms and a list of standard abbreviations for ease of reference. The general terms and conditions in the HHS GPS will apply as indicated unless there are statutory, regulatory, or award-specific requirements to the contrary that are specified in the Notice of Award (NOA). The HHS GPS is available at <https://www.acf.hhs.gov/grants/discretionary-competitive-grants>.

Freedom of Information Act (FOIA)

Applications funded by federal grant programs are subject to disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Such applications are frequently requested under the FOIA, consistent with the FOIA's requirement to proactively disclose frequently requested materials at 5 U.S.C. § 552(a)(2)(D). Each released application will receive appropriate redaction of specific information to protect personal privacy and competitively sensitive commercial information. Information on filing a FOIA request is available at <http://www.acf.hhs.gov/submit-a-foia-request>.

VI.3. Reporting

Grantees under this funding opportunity announcement will be required to submit performance progress and financial reports periodically throughout the project period. The frequency of required reporting is listed later in this section. Final reports may be submitted in hard copy to the Grants Management Office Contact listed in *Section VII. Agency Contacts* of this announcement. Instructions on submission of reports electronically will be provided with award documents.

Performance Progress Reports (PPR)

Notice of Award documents will inform grantees of the appropriate performance progress report form or format to use. Grantees should consult their Notice of Award documents to determine the appropriate performance progress report format required under their award. Performance progress reports are due 30 days after the end of the reporting period.

Final program performance reports are due 90 days after the close of the project period. For awards that

implement the use of the SF-PPR, that form may be found under "Reporting" at <https://www.acf.hhs.gov/grants-forms>

Federal Financial Reports (FFR)

As of February 1, 2011, HHS began the transition from use of the SF-269, Financial Status Report (Short Form or Long Form) to the use of the SF-425 Federal Financial Report for expenditure reporting. SF-269s will no longer be accepted for expenditure reports due after that date. If an SF-269 is submitted, the ACF will return it and require the recipient to complete the SF-425.

The transition strategy is allowing individual HHS Operating Divisions to select--from a limited number of options--the approach that best fits their programs and business process. This transition does not affect completion or submission of the cash reporting to the HHS Division of Payment Management's Payment Management System (PMS). The primary features of this transition for recipients are that OPDIVs that previously required electronic submission of the SF-269 will receive the SF-425 expenditure reports electronically and, until further notice, OPDIVs that have been receiving expenditure reports in hard copy will continue to do so.

All expenditure reports will be due on one of the standard due dates by which cash reporting is required to be submitted to PMS or at the end of a calendar quarter as determined by the Operating Division. As a result, a recipient that receives awards from more than one OPDIV may be subject to more than one approach, but will not be required to change its current means of submission or be subjected to more than eight standard due dates.

Beginning with budget periods which end from January 1 - March 31, 2011, and for all budget periods thereafter, all affected ACF grantees will be required to submit an SF-425 report as frequently as is required in the terms and conditions of their award using due dates for reports to PMS.

For budget periods ending in the months of:	The FFR (SF-425) is due to ACF on:
January 01 through March 31	April 30
April 01 through June 30	July 30
July 01 through September 30	October 30
October 01 through December 31	January 30

Fillable versions of the SF-425 form in Adobe PDF and MS-Excel formats, along with instructions, are available at http://www.whitehouse.gov/omb/grants_forms and at <https://www.acf.hhs.gov/grants-forms>. Further instructions will be provided, as necessary, with award terms and conditions that will address specific reporting periods and due dates on an award-by-award basis.

For planning purposes, ACF reporting periods for awards made under this announcement are as follows:

Program Progress Reports: Semi-Annually

Financial Reports: Semi-Annually

Federal Financial Accountability and Transparency Act (FFATA) Subaward and Executive Compensation

Awards issued as a result of this funding opportunity may be subject to the Transparency Act subaward and executive compensation reporting requirements of 2 CFR Part 170. See ACF's Award Term for Federal Financial Accountability and Transparency Act (FFATA) Subaward and Executive Compensation Reporting Requirement implementing this requirement and additional award applicability information at

[https:// www.acf.hhs.gov/ grants/ discretionary-competitive-grants](https://www.acf.hhs.gov/grants/discretionary-competitive-grants).

Tangible Property Report (SF-428)

As of April 1, 2012, the Administration for Children and Families began requiring the use of the Tangible Personal Property Form (SF-428) .

The **SF-428** is a standard form used by awarding agencies to collect information related to tangible personal property (equipment and supplies) when required by a federal financial assistance award. The form consists of the cover sheet, SF-428, and three attachments to be used as required: Annual Report; Final (Award Closeout) Report and a Disposition Request/Report. A Supplemental Sheet, SF-428S, may be used to provide detailed individual item information.

The form is available under "Reporting" at [http://www.acf.hhs.gov/ grants-forms](http://www.acf.hhs.gov/grants-forms) and at [http://www.whitehouse.gov/ omb/ grants forms](http://www.whitehouse.gov/omb/grants_forms).

Real Property Status Report (SF-429)

Beginning with budget periods ending September 30, 2012, and for all budget periods thereafter, all ACF grantees are required to submit the SF-429 report(s) as frequently as required in the terms and conditions of their award(s).

The **SF-429** is a standard report used by recipients of federal financial assistance to report real property status (Attachment A) or to request agency instructions on real property (Attachments B, C) that has been/will be provided as Government Furnished Property (GFP) or acquired (i.e., purchased or constructed) in whole or in part under a federal financial assistance award (i.e., grant, cooperative agreement, etc.). This includes real property that was improved using federal funds and real property that was donated to a federal project in the form of a match or cost share donation. This report is used for awards that establish a federal Interest on real property.

The form is available under "Reporting" at [http://www.acf.hhs.gov/ grants-forms](http://www.acf.hhs.gov/grants-forms) and at [http://www.whitehouse.gov/ omb/ grants forms](http://www.whitehouse.gov/omb/grants_forms).
